Effortless Wi-Fi Connectivity, Total Creative Freedom

AcuSketch

Draw your embroidery pattern right on the iPad. Send it wirelessly to your machine or save it as a JEF+ file for later.

AcuEdit

Turn your iPad into a bigger, easier editing screen. Adjust designs on the fly and send them straight to the machine — no USB drives, no fiddling with the small on-machine display.

AcuMonitor

Keep an eye on your embroidery progress from your iPhone or iPad, so you're free to move around while it stitches.

AcuSetter

Position designs precisely using a photo of your hooped fabric. Fewer alignment errors, no re-hooping.

The Skyline S9's built-in Wi-Fi connects seamlessly to your iPad, freeing you from cables and USB drives. Four free companion apps put full control of your embroidery journey in your hands — anytime, from anywhere in the room.

- Artistic Digitizer, a designing software, provided free with the machine.
- LCD full colour touch screen.
- Real time PC connection with Acutools 5 for combining and editing embroidery designs.
- 2 & 3 letter monogramming functions.
- Maximum zigzag width of 9 mm.
- Couching Kit provided with the machine.
